

Town Hill Tour Guides

Atlantic Brewing Company operates two brewery tasting rooms just minutes from Acadia National Park in Bar Harbor, Maine. We are looking for excited, outgoing, individuals to work for the summer through fall season in our tasting room. Successful candidates will have strong communication skills, an interest in locally-produced beer, and be comfortable working with the general public. No prior knowledge of the industry is required; we will train and educate employees about both our products and beer in general. Candidates must be able to work from late May through October.

Job responsibilities include:

- Leading tours of our facilities
- Serving as a customer service representative
- Leading tastings at the brewery, which includes giving an overview of products in both one-on-one and group settings
- Assisting customers with questions regarding Atlantic Brewing beer and Bar Harbor in general
- Providing direct salesmanship to customers
- Help maintain and organize a retail store environment including cleaning, restocking, and general upkeep
- Being part of a team that promotes the goals of Atlantic Brewing by providing high quality customer service and in-depth knowledge of our beer and/or wine

Compensation:

- Pay range \$11-14/hour plus tips
- Discounts on food at our on-site restaurants
- Discounts on our products and general merchandise
- Housing available, please inquire for further details

This is a great opportunity for individuals seeking brewing industry experience, or just a short-term, interesting job opportunity. Bar Harbor is an exciting tourist destination with visitors from all over the world offering swimming, hiking, biking, kayaking and a variety of restaurants, bars and seasonal events. This is an excellent way to develop communication skills and gain direct knowledge of small business operations.

“Growing up I was lucky enough to spend time on the island, but it was so much fun to spend the whole season there, getting to know the area as more of a local, and working with the great Summer team at ABC. I really enjoyed learning more about beer and feeling like part of the brewery family. I would recommend the position to anyone hoping to get into the beer scene, wanting to spend time in a beautiful place, and meeting a great group of staff!”

“Working for Atlantic was the perfect thing to do over the Summer. I worked and lived with the most amazing, fun people from all across the country, as well as the coolest of brewery cats. I learned so much about beer and the brewing process, and enjoyed giving tours and tastings. It was incredible being so close to the national park and getting to hike regularly on my time off. I took pride in the product I was talking about and immersing myself in.”
